(Nett excl. VAT)

We have a Carrier Dealer in your region to assist.

- ◆ Energy Saving - Intelligent On/Off function saves up to 75%
- ◆ Self Evaporating: Automatically recycles water from the evaporator to the condenser when in cooling mode by the use of a slinger ring fan – no need for water drainage
- ◆ On/Off Timer
- ◆ Heat pump
- ◆ No Installation Required

Terms and Conditions: Prices are Nett excluding VAT. This promotion ends 31 October 2021. Only valid while stock last. All items supplied are subject to Metraclark Pty (Ltd) standard terms and conditions of sale. Lucky draw to be held in November 2021. Prizes applicable to customers only, no suppliers or group staff.
